Dear Farmers Market Vendor:

Thank you for your interest in the Stow Community Farmers Market. We are very excited to offer the market in our 11th year and are proud to present another year of quality vendors to provide fresh produce and goods for Stow and the surrounding communities.

Our Market got through last years pandemic with good health and safety protocols which in turn, helped to make our customers and vendors feel safe in a friendly outside environment. The Farmers' market will be held in the parking lot of the Community Church of Stow at 1567 Pilgrim Drive, Stow.

We will also be holding our fourth Annual Holiday Farmers Market on the Saturday Nov. 13th. so if you will be prepared to sell your product in a Holiday type setting, please indicate so on the attached application. Enclosed is a copy of the Rules and Regulations for the Market. Please read them carefully. These requirements are for your reassurance and safety as well as the other vendors and your customers. Striving for fairness and consistency, we want you to have a pleasurable and successful season. We will hold the Market each week regardless, rain or shine. On the rare occasion of driving rain or heavy winds, we will move the Market inside the church fellowship hall. Upon receipt of your completed application and check, we will notify you . If you have any questions, please contact the Market Manager or the church office. We will contact you on your acceptance at the Market.

2021 Rules and Regulations

1. The Market will be on Saturday Mornings from June 5, 2021 through and including October 9, 2021 with the additional option of participating in our Fourth Holiday Market on Saturday November 13th that will run 9am-1pm.
2. Vendors may set up starting at 7:30am and be ready for customers at 8:45 a.m. Clean up of space should be completed by 1 pm. The actual Market is open from 9:00am to 12:30pm. Please do not close before the market does unless approved by the market manager.
3. Vendors may sell from their truck, van, car, if space is available, but a stand-alone cart, table or wagon display is encouraged. Set up needs to be completed by 8:45 a.m.
4. Only home grown or home made produce, hand crafts, or edibles may be sold at the Farmers' Market. These items include fresh vegetables, fruit, baked goods, flowers, dried flowers, herbs, and houseplants. Any items not listed must be approved before being sold. Garage sale items are not permitted. Some craft items related to your produce may be permitted, but these items must be approved in advance. This is a market for people who produce what they sell. **PLEASE be respectful** and do not buy produce elsewhere and bring it here to sell. It is understood that "producers" may purchase a minor portion of what they sell as long as their merchandise meets the criteria set forth in this paragraph. This merchandise should not exceed 10% of the vendor's merchandise.
5. Persons desiring market space may buy a space without a season commitment for \$11.00 each week on a first-come, first-served space availability basis , or buy a 19-week regular season Market commitment for \$171 (a 22% savings). **Persons with a season permit have priority on space availability.** No partial refunds for weather conditions, absences, etc. will be issued.
6. Spaces will be two parking spaces wide for an approximate size of 18 feet by 18 feet. Vendors requiring additional space shall pay for adjoining spaces.
7. Vendors will conduct their business in an orderly fashion by abiding by the rules and regulations and without loud or unusual disturbances to draw attention. Any unprofessional behavior will not be tolerated, and the vendor will be asked to leave for the season. No money will be reimbursed.
8. Vendors will not post signs on any church property. Posted prices on items for sale or price lists are recommended.
9. Vendors must provide their own tents, tables, chairs, change, bags, etc., and are responsible for any damage or injury due to negligence while selling during market hours or during set-up and tear-down times. Please leave your space as you found it. Tent weights for each tent corner are strongly recommended to withstand windy weather conditions for the safety of both customers and vendors. Absolutely no tent stakes are permitted.
10. Because this market is held on church grounds, it will be understood by all vendors that church business has priority. In the event that the Farmers' Market may not occur on Specific Saturdays due to funerals, weddings, etc., vendors will be notified as soon as possible.
11. This Farmers Market is a non-profit, all volunteer organization and is a community event sponsored by the Community Church of Stow. All money collected from vendor space rental is used for advertising, social media, tents, samples, and other expenses. Any money remaining will be used for community initiatives and needed market capital projects.
